Dear Elder Sica,

Let me take this opportunity to express my profound thanks to you and Mr. Thakral for working so untiringly to secure the funding from the bank. At times, it seemed as though things were hopeless, but you never gave up. You kept on working and solving the problems that we were confronted with.

The church owes you a debt of gratitude for your dedicated service. We appreciate everything that you have done for us. In addition, your cost was more than reasonable.

Please continue to remember us in your prayers as we focus on completing our new worship complex and build up the cause of the Almighty.

May God bless you as you continue to serve in the Vineyard of the Lord.

Your Brother in Christ,

Dr. Horace A. Russell
Senior Pastor
